Data Insights Analyst

**Based at Head Office, Sunninghill, Ascot.
35 hours per week
Up to £35,000 p.a. depending on experience**

The role

We have a fantastic opportunity for a talented Data Insights Analyst to join our Marketing Team. You will be responsible for analysing and interpreting data from both internal and external sources and using this data to provide valuable insights about the people we support, the people who support us and our operating landscapes. You will be extracting and managing data from a variety of internal and external sources, documenting all processes and data flows related to data selections and analysis and identifying, analysing and interpreting trends or patterns using different data sets to provide insights which can then be presented and used across the organisation

The person

The ideal candidate will have excellent verbal and written communication skills. You will be highly skilled in qualitative and quantitative data analysis and be able to use statistical analysis to understand beneficiary, supporter and customer behavior. You will have the ability to interpret statistical information into clear analytical reports, data visualisation or presentations including practical application of the findings. You will be experienced in survey design and analysis and take a logical structured approach to your work. You will be able to work under pressure and work well within a team environment. Your skills with Excel will be advanced and you will have experience of statistical software. You will have experience of working with charity CRMs.

In return we offer you:

- Competitive pay
- Generous holiday allowance
- Contributory Pension Scheme - matched up to 3 %
- Free DBS check (subject to eligibility being met)
- Excellent training and development
- Referral scheme
- Childcare vouchers
- Free parking
- Subsidised Restaurant
- Discount on certain car brands

If this describes you, then please contact us at careers@ben.org.uk and enclose your latest CV and covering letter explaining why you are the ideal candidate for this role.

Closing date for applications is 20th May 2017
