

Town Thorns Care Centre

“Thank you for making Mum comfortable and visiting more pleasant for me. I have written to thank the staff in Garden wing but realise how much we benefitted from the smiles and consideration of all the staff in Town Thorns including the kitchen, laundry, nursing, cleaning and admin. You have a special care home and I thank god for guiding me to choose Town Thorns after looking at the homes. With fondest love.”

“Can I take this opportunity to offer my sincere thanks to you and all your good staff for all your care I have received since my entrance into ‘Res Care’. You really do have an excellent team of staff operating in all the units including admin, nursing, care, services and maintenance, also therapy and physio. With every good wish to you all for 2016.”

“Just a note to thank you for helping us out at looking after Gerry over the past few weeks. Very reassuring for me to know that he was safe through all my own problems! Please pass on our sincere thanks to all concerned.”

“Please could you pass on our sincere thanks to all of the staff and residents who have shown such kindness to George (and to us) during his recent stay at Town Thorns. Even though things turned out to be more difficult than we anticipated, every member of staff was so positive and encouraging. It has allowed us all to enjoy time with George, as well as free time, that we haven’t had for a long time.”

“My aunt has been living in Town Thorns for just over three years. Her quality of life improved greatly from the first moment. She has had many lovely experiences - concerts, activities, trips out and most importantly company and care. The staff are always welcoming and friendly and respond promptly to any concerns I may have. My aunt always took great pride in her appearance and even though she now needs more help the staff ensure she still has her make-up, nails and hair done and looks good - so important to her. The medical care is exemplary and I am delighted that she is so well looked after.”
