

Home Care from Lynwood Village

High quality care
in your own home

Lynwood Village High Quality Home Care

At Lynwood we provide life-enhancing care that improves quality of life, health and wellbeing. Our fully trained, professional care teams can also provide support to people who live independently in their own home.

Our Care Quality Commission-registered Home Care service provides a full range of personalised care which includes assistance with washing, dressing, support with daily domestic tasks and overnight care and support.

We choose our carers not only for their experience and qualifications, but also for their compassionate nature. Our highly qualified care teams are staffed by our own employees, which means you will get to know your carers and they will get to know you.

How Lynwood Village Home Care Works

A senior member of our Home Care team will visit you to discuss your support needs and will complete an assessment with you, identifying any support you may require.

From this information we will create a personalised care plan, a copy of which will be left in your home for your reference and for you to share with relatives or medical professionals as you wish.
