Ben is an independent charity and dedicated partner to the automotive industry, providing support for life for its people and their family dependents. Ben is focused on delivering care and support to enable total health & wellbeing through working and later life.

Ben provides free and confidential advice and support focused on the four main areas of peoples' health and wellbeing: financial, physical, mental and social, supporting people to manage their health proactively and overcome any challenges they face, at whatever stage of life, empowering them to make lasting, positive change.
