Day Centre

Day care centre for older people and
those living with dementia, Coventry

A warm welcome

We know how difficult it can be to care for your loved one, especially if they suffer from dementia. And, we know that it's important for you to have a break.

Our friendly, relaxed day centre provides the perfect safe and stimulating environment for up to twenty adults every day.

Our day centre promotes independence and wellbeing, which is why we also welcome those who are more independent, who may benefit from socialising and participating in organised activities and outings.

"I would like to say that the Ben Day Centre and all the staff have been absolutely amazing with my mum, from picking her up in the morning from her home, to joining in games, having her hair done, catering for her needs and general chit chat, to bringing her home."

Sharon

“ My father has been attending the Day Care Centre for two and a half years since my mum (his main carer) passed away. Without the centre, my dad, who has dementia, wouldn't still be living in his own house with a great deal of support from others also. The centre deals with my dad's challenging dementia excellently and we have excellent communication with them keeping us informed of any issues that may occur.”

Activities

We provide a daily activity programme shaped around the aims and aspirations of members and their past hobbies.

From arts and crafts sessions to concerts from visiting musicians and comedians, indoor games, pampering sessions and social outings, there's always something to enjoy. Members can also enjoy fresh air and sunshine relaxing in our secure garden area.

Nutritious food

Every day our members enjoy a freshly cooked hot lunch. Menus can be tailored to suit individual requirements, and tea, coffee and soft drinks are always available throughout the day.

Our team

Our experienced, qualified care team ensures the standard of care we provide is consistently high. We pride ourselves on employing dedicated and trained staff, who know and understand our members' needs very well.

“My Dad has been attending the Day Centre for just over a year since my Mum passed away. The Day Centre has been our saving grace and gives us peace of mind knowing dad is well cared for whilst we are at work. All of the staff are excellent with Dad and all of the everyday challenges that dementia brings. He needs consistency, patience and understanding and the Day Centre staff provide this in bucket loads. We are always informed and consulted if there are any changes or concerns. They do a fantastic job and we can't thank them enough.”
